

The ocean is customarily divided

Yet,

Restorative justice that fosters dialogue

between victim and offender

shows the highest rates of

victim satisfaction

and offender accountability.^[12]

The ocean's shape is irregular,

a

continuous body of water with

between its components

relatively unrestricted exchange

a world

of water

of salt

In the continuous ocean

communion and agency,

retribution or restoration.^[42]

are often interchangeable.

WIKIPEDIA

24:06-24 MdBm

The ocean is the body
where people are interconnected
but they disagree,

jerks which cause earthquakes,
plates grind together.

Material worn
from the margins of the land
eventually ends up in the sea.
degrading organic material
sinks to the ocean floor
as sediment.
the deeper ocean is cold
and dark

'What is Justice?'^[15]
It has been said^[14]
A society in which justice
has been achieved
would be one in which
individuals receive
what they "deserve".

Theories vary on the
meaning of what is "deserved".

a "sea" is a body
of salt
